FUNDRAISING:

ONGOING THROUGHOUT THE SEASON

-

As you can see there are many opportunities for volunteering.

The success of our program has always depended on the quality of parent volunteers. Offering the best experience possible for your child requires every adult in our organization to contribute to our cause

Most successful swim clubs have instituted a parent volunteer program to help distribute the responsibilities fairly throughout the swim club membership. Our aim is to build a strong team of parents who possess a thorough understanding of what it takes to make our sporting events happen. Participation, knowledge and experience are the valuable tools that make swim meets and water polo tournaments enjoyable for everyone.

We hope this information is helpful to you. Thank you in advance for supporting our sport. We are looking forward to another great season!

Sincerely,

Burnaby Barracuda Summer Aquatics Club Board of Directors
